A new superhero universe is born!

In a world where superheroes have become commonplace, heroes are required to join a union or else face serious financial liability for the damage caused during battles.

Enter the Superheroes' Union: A team-up of genius Scyber, psychic Lakshmi, the mysterious Keeper, and child prodigy Nekkotron, among others, as they battle villains and bureaucracy alike.

Marking the final work by **M.D. "Doc" Bright** along with legendary writer **Larry Hama**, follow along as they question the very nature of what it means to be a hero in this thrilling new giant-size issue!

FOOOSH!
MOST HEROES ARE ORDINARY PEOPLE WHO RISE TO THE OCCASION. A SMALL NUMBER SEE HEROISM AS A CALLING.
A FIFTH-GENERATION WIRE-GUIDED ANTI-TANK MISSILE SHOULD DO THE TRICK...
WHOOMP!
IT WOULD SEEM THAT THE REACTIVE ARMOR ON THE TRUNK WAS A GOOD INVESTMENT.
NO JOY. A DEPLETED-URANIUM PENETRATOR ROUND COULD TAKE OUT THAT PUPPY...
...BUT THE PR FALLOUT FROM THE COLLATERAL RADIATION WOULD BE TOO HIGH A PRICE TO PAY.
HAVE TO GO OLD SCHOOL TO TAKE DOWN THIS CREEP. OUT-THINK AND OUT-FIGHT HIM...
I JUST KNEW MY FEAR OF HEIGHTS WAS JUSTIFIED...

THE KILLER
AFFAIRS OF THE STATE II
TRANSLATED BY EDWARD GAUVIN
The Eisner-nominated series behind the Netflix film adaptation by David Fincher!

The assassin returns—and this time, the job gets personal.

From Eisner-nominated creators **Matz** and **Luc Jacamon**, the legendary French noir series continues with a new chapter that delves even deeper into the cold precision and emotional psychology of its titular hitman.

Now operating out of a secluded cabin in the mountains of the South of France, the Killer has developed a straightforward routine: take the job, complete the mission, disappear. But when an unexpected neighbor with her own dark past suddenly disrupts his carefully managed solitude, it becomes the catalyst for a mission unlike any he's taken before.

After uncovering a sprawling human trafficking operation with international ties, the Killer is forced to confront not only his enemies, but also the limits of a dangerous quality: The potential to care despite his own detachment.

Brutal, elegant, and psychologically razor-sharp, ***The Killer: Affairs of the State II*** is a masterclass in striking crime fiction!
